About

John Steinegger is a Managing Director at BaseRock Partners, where he oversees sell-side and buy-side transactions, ESOP formations, and management buyouts within the construction industry.

With extensive experience working with building contractors, specialty contractors, heavy civil and infrastructure contractors, construction materials companies, and engineering firms, John brings a diverse range of transactional expertise to his role.

Prior to joining BaseRock, John served as a Managing Director at FMI Capital Advisors where he specialized in serving contractor and construction services clients.

Before his time at FMI, John worked as an Associate at Bank of America Merrill Lynch, where he managed M&A, debt, and equity transactions. John began his career as a management consultant at Accenture and Deloitte Consulting, where he honed his skills in strategic planning and business development.
